The Thief, the Fox and the Phoenix

Make a fox mask

Print out the fox onto thin card or print onto paper then stick onto card. Snip the whiskers to make feathery. Gently fold across eyes and cut semi circles to make eye holes.

Glue back on forehead and place onto mask. Glue and place inner ears.

Glue muzzle and nose. Stick snipped whiskers behind head.

Use a lolly stick or rolled up paper to make a stick. Add texture with red glitter or draw fur on if you like. Have fun!
