## The Great Race

Race Wheel

Cut out the 12 animal pieces, yin and yang symbol and the wheel base  
Cut along the solid lines on the wheel base and fold backwards on the white side.  
Draw your 12 animals in the circles.

Glue on the white sides of the wheel base and fit the animal pieces to it.  
Continue until they are all glued down.

Fold the animal pieces up along the dotted lines.  
Glue the yin and yang sign onto the centre.  
Make a rolled-up paper stick and punch a hole at one end.

Push a split pin through the three layers.  
Open out on the back.  
Now race your animals!

Have fun!
